

Steps to connect your mobile device to Dragon desktop application

Step 1: Open Digital Dictation on your desktop. Click “Allow” to open Dragon simultaneously.

Step 2: Click on the “Request PowerMic Mobile” tab in Digital Dictation. This will send instructions to your unity health email address.

Step 3: Open the email from Nuance on your phone and select the correct link according to your device type.

Step 4: In the PowerMic mobile app, select Profile 1 and enter your SMH username.

Step 5: Log out of Digital Dictation and close Dragon. Log back in to Digital Dictation and it should automatically connect to Dragon and PowerMic mobile.
