

If you are completing the Login Lab **ON A DEVICE OUTSIDE OF A UNITY HEALTH CLASSROOM:**

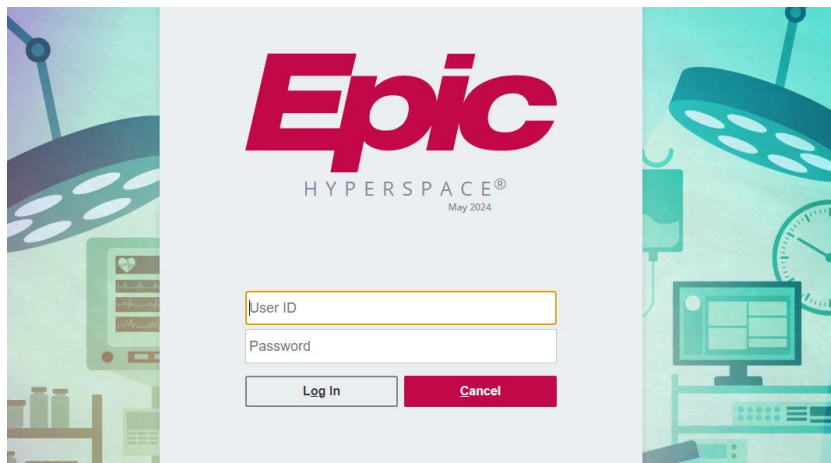

Step 1: If on site (connected to Unity_Prime) OR if off site connect through Fortitoken VPN, log into:
<https://citrix.unity.local/>

Step 2: Locate and launch the Epic SUP icon

Epic SUP

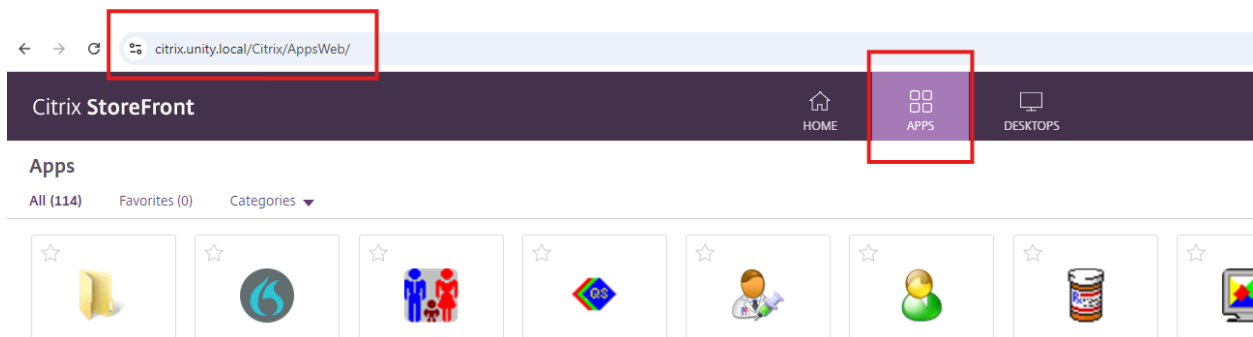

Step 3: On the login screen, enter your username and password (the same username and password you use to access your Unity Health email or sign into Unity Health devices).

If your login information does not work, please move to step 5.

Step 4: Once logged in, review the description boxes on the “Welcome to Login Lab” page.

Step 5: Once reviewed, or if you have been unable to log in, return to Citrix StoreFront APPS

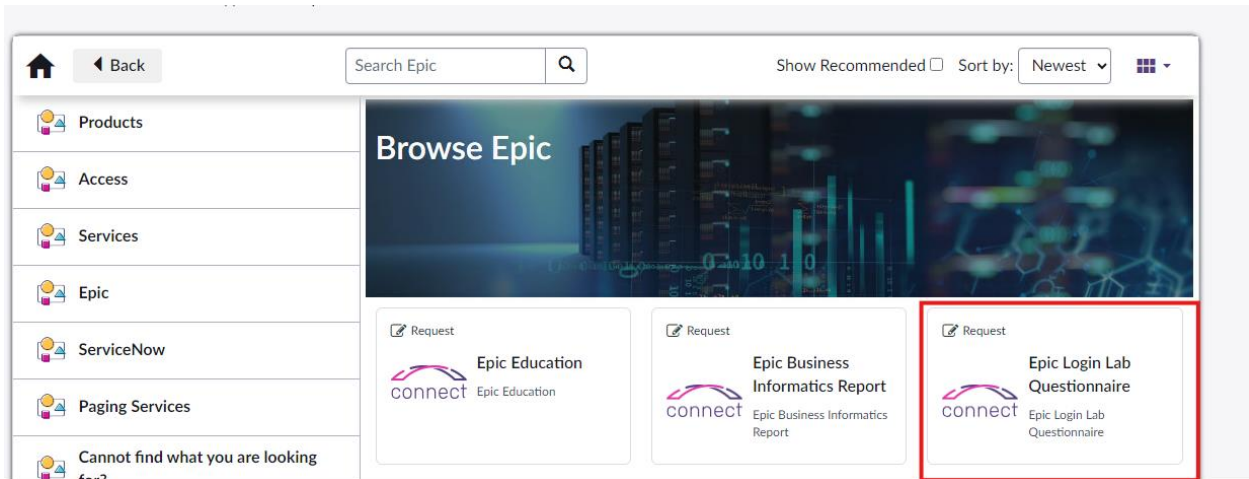

Step 6: Open the “Login Lab Questionnaire” APP

Step 7: On the login screen, enter your username and password (the same username and password you use to access your Unity Health email or sign into Unity Health devices). Do NOT include a domain (e.g. \unity) in your username.

Step 8: This will take you to “Browse Epic”. Locate, open and complete the “Epic Login Lab Questionnaire”

- **Important:** Note any incorrect or missing information in the questionnaire to ensure your security is updated prior to Epic Go-Live (November 30, 2024).

Step 9: Once complete, click Submit.
